

# Money Grow Money Flow

- 1. Carve and dress a green candle to correspond with your intentions*
- 2. Set the candle in a dish*
- 3. Pile coins around the base of the candle*
- 4. Light the candle with your dominant hand and chant as many times as feels right:  
Money grow, money flow  
Candle burn, watch me earn  
Money grow, money flow  
Flame shine  
What I want is mine!*
