## Peppermint Long Distance Healing Spell

- 1. Lay peppermint leaves on top of a photograph of the ill
  - 2. Charge a blue candle with your intention
  - 3. Carve and dress the candle as you see fit
    - 4. Burn the candle beside the photo
  - 5. When the candle has extinguished, throw the peppermint leaves out
    - 6. Repeat the steps as needed using fresh peppermint leaves every time
