

Tiger Guardian Spirit Spell

In a myriad of traditional belief systems, tigers are powerful, magickal creatures. The Chinese translation of amber means “tiger soul.” As such, it was believed that when a tiger died its soul turned into amber. Using this stone is the most accessible way to tiger guardian spirits.

- 1. Hold an amber stone in your left hand.*
- 2. Close your eyes and visualize making contact with a tiger guardian. Allow your mind to manifest how it looks and behaves.*
- 3. Keep the amber piece in your hand for the duration of the visualization.*
- 4. When you have returned from the visit, open your eyes, return to your senses and then release the stone.*
